In Punta Cana, heavenly Caribbean vistas, diverse attractions, and state-of-the-art convention centers abound. **Nickelodeon Hotel by Karisma** is due to debut in late 2016. Punta Cana already boasts a strong hotel inventory: Group favorites include the all-inclusive **Hard Rock Hotel & Casino Punta Cana** and the **Barcelo Bavaro Beach Resort**, which features an 18-hole golf course, casino, cigar and rum lounge, international cuisine and lively entertainment. The **Barcelo Bavaro Convention Center** is one of Punta Cana's largest and most modern convention centers. The venue can accommodate 5,000 guests, featuring over 120,000 square feet of meeting space.
