## AZUL: WHERE PARENTS CAN BE 'HEROES'

The Nickelodeon Experience at Azul Hotels, by Karisma is being touted as a “one-of-a-kind vacation that will make parents heroes to their kids,” and give the whole family an opportunity to see Nickelodeon characters in-person, including Dora the Explorer, SpongeBob SquarePants and the Teenage Mutant Ninja Turtles. The journey begins with custom kids’ check-ins with Slime Smoothies, Nickelodeon Concierges, a Nick Toy Lending Library and special Nickelodeon-themed amenities and will continue with character dining opportunities, character meet-and-greets, a chance to get Slimed and the themed Azulitos Playhouse by Nickelodeon.

### PUNTA CANA

Meanwhile, Karisma reports bookings can now be made for Nickelodeon Hotels & Resorts Punta Cana, which opens in May. Nickelodeon’s first-ever international hotel property, providing both non-stop family entertainment and Karisma’s Gourmet Inclusive Experience, is accepting reservations at 1-844-SEE-NICK and [www.nickresortpuncacana.com](http://www.nickresortpuncacana.com). Located on Uvero Alto beach in the Dominican Republic, the upscale property will feature 208 oversized suites in seven styles, from intimate Jacuzzi Pads and Flats to exquisite Swim-Up Suites.
