RAZOR SHADZ™

- Segmented fish-shaped body and forked tail create an extremely lifelike baitfish profile
- Ideally suited as a bladed swim jig trailer when conditions call for a bulkier profile to mimic full-bodied forage
- Belly slot and dorsal pocket allow for easy weedless rigging on a 3/0 or 4/0 EWG style hook
- When rigged weightless, bait dives when twitched and exhibits an erratic darting motion and slow rise on the pause that is deadly on bass and redfish alike
- 4 baits per pack

KITS & ACCESSORIES

NED RIG KIT

- Ideal assortment for finesse fishing for bass and other species
- Softbaits are constructed from 10X Tough, non-toxic and naturally buoyant ElaZtech® material
- Finesse ShroomZ™ jigheads feature mushroom shaped head preferred by finesse enthusiasts and welded wire keeper for easy rigging
- Includes 8 Finesse TRD™ softbaits, 8 TRD TicklerZ™ softbaits, 6 TRD CrawZ™ softbaits, and 5 each of 1/10 oz and 1/6 oz Finesse ShroomZ™ Jigheads
- All baits and jigheads featured in best-selling Green Pumpkin color

KIT-NED-GP

ELAZTECH® BAIT LOCKERZ™

- Constructed from durable 600 denier waterproof material
- Sized to hold over 75 packages of ElaZtech® baits
- No metal parts that can rust and corrode
- Handle on lid and nylon shoulder strap for easy transport
- Interior clear storage compartments with hook-and-loop closures for jighead and lure storage
- Top flaps with magnetic closures keep lid from blowing open and keep water out
- Exterior mesh pocket holds larger items like tools and leader spools

LOCKER-1

ELAZTECH® BAIT BINDERZ™

- Encourages proper storage of ElaZtech® baits in original packaging and away from other types of soft baits
- Designed to fit pre-punched holes on standard size Z-Man® bait bags
- Tough 500 denier nylon construction for durability
- Baits can be accessed without removing packaging from binder for quick bait and color changes
- Beefed up binder rings that are zinc plated for corrosion resistance
- Embroidered Z-Man® logo

BINDER-1

ELAZTECH® BAIT BINDERZ™ DOUBLEWIDE

- Side-by-side binder orientation designed to fit pre-punched holes in standard size ElaZtech® bait bags and holds up to 20 packs of Z-Man® softbaits
- Clear plastic pockets sized to hold a variety of jigheads, terminal tackle, leader spools, and tools
- Secures with plastic clips and hook-and-loop closures, so contains no zippers that will rust or foul
- Built-in handle with slip-free plastic grip

BINDER-2

BAIT BLOCKZ

- Sized to hold up to 35 packages of ElaZtech® baits
- Adjustable dividers to separate bait types and hold packages securely
- Interior clear storage pocket and exterior mesh pocket hold larger items like tools and leader spools
- Zippered lid and top handle for easy transport
- Constructed from durable 600 denier waterproof material
- Rugged rubberized bottom
- Embroidered Z-Man® logo
