DYLAN'S CANDY STORY

Local resident and owner of the iconic New York City Dylan's Candy Bar, **Dylan Lauren**, will be visiting the Bedford Playhouse on January 12 to tell her compelling story of becoming a female CEO of one of the largest candy stores in the world. Lauren expanded her vision since childhood and now owns a store with a unique sense of pop-culture and an unmatched candy selection. The event includes an audience Q&A with Lauren, a self-serve candy bar, and a copy of her book *Unwrap Your Sweet Life*. Guests will get a behind-the-scenes understanding of what it takes to run the mouth-watering candy empire. bedfordplayhouse.org
