**SPRING 2022**

**SPRING MEANS REPERTORY!**

This edition of the Brattle schedule is particularly heavy on repertory screenings. We’ve got some fun screenings in our annual Reunion Week series and some stunning new restorations. Though we’re sad to not host a new edition of Noir City Boston, we’re highlighting the achievements of the Film Noir Foundation in a brief series. And we’re bringing back the Wachowski Sisters retrospective that never was (originally scheduled for April of 2020!). And there’s more! Check out the lineup and come join us for some great classic films on the big screen! And don’t miss out on the fantastic new films we’re playing too: NEPTUNE FROST, HIT THE ROAD, MONDOCANE, and IL BUCCO are all gorgeous and definitely deserve your attention!
