Bare Bait Dance presents 13th Annual KINETOSCOPE SCREEN-DANCE FILM FESTIVAL  
February 6 • 5:30PM & 8PM

Kinetoscope: International Screendance Film Festival, Montana's premiere dance film festival, is pleased to be returning to Billings. Created in 2013, the festival consistently presents the best of screendance from around the world. This year's screenings feature films from Spain to Finland, to Portugal, Hong Kong, France, and the USA. There's something for everyone! The festival is curated by Montana's only full-season professional dance company, Bare Bait Dance, and presented with the support of Bass Snyder Fredlund and Rain Soul Studio. Each screening will include an introduction and talk back with festival director Joy French traveling from Missoula. You'll also get to meet members of our own Billings dance community. Dance artists from Arc Montana Dance Collective will stop by to share what they have coming to the stage this season.
