FALL 2026

Babcock
BY ART HOUSE BILLINGS

THE BABCOCK IS BACK!

For 120 years the Babcock Theatre has been at the heart of downtown Billings showcasing films, concerts, plays, events, and yes...even boxing. Not only has the variety of events drawn thousands of people to the theater, but it has also created a varied history in the way it has opened, then closed, then opened again, only to close a few years later...

We are beyond excited to reopen our beloved theater, once again, for the last time!

We've spent the last year and a half not only replacing the ceiling, fixing broken things, and cleaning every nook and cranny, but we have also dreamed of what the future of this theater could be for our community.

Please join us for our Grand Opening on October 16th. Come see all the incredible work our contractors, volunteers and community members have done, experience a great film (we've programmed a lot of great stuff for the fall!), and be some of the first to hear about where we're headed. The history of the Babcock Theatre is long and varied, but the future is bright and we don't want you to miss it!
