¹ Futures orders for NIKE Brand footwear and apparel scheduled for delivery from June 2015 through November 2015. The U.S. Dollar futures orders amount is calculated based upon our internal forecast of the currency exchange rates under which our revenues will be translated during this period.

The reported futures orders growth is not necessarily indicative of our expectation of revenue growth during this period. This is due to year-over-year changes in shipment timing, changes in the mix of orders between futures and at-once orders and because the fulfillment of certain orders may fall outside of the schedule noted above. In addition, exchange rate fluctuations as well as differing levels of order cancellations, discounts and returns can cause differences in the comparisons between futures orders and actual revenues. Moreover, a portion of our revenue is not derived from futures orders, including atonce and closeout sales of NIKE Brand footwear and apparel, sales of NIKE Brand equipment, sales from our DTC operations and sales from Converse, NIKE Golf and Hurley.

² Reported futures have been restated using prior year exchange rates to enhance the visibility of the underlying business trends excluding the impact of foreign currency exchange rate fluctuations.
