BASIC LITMOS NAVIGATION & COURSE ACCESS

Dashboard Orientation:

The dashboard features a dark sidebar with navigation options: Home, Course Library, Achievements, and Collapse Menu. The main area displays course progress with circular gauges for 'To do' (3), 'Overdue' (0), and 'Completed' (2), along with a 'Log Out' button (6). A 'Search for courses' callout points to the search bar. A 'Download certificate' callout points to the 'Download Certificate' link in the sidebar. A 'News & updates' callout points to a news section titled 'New RSL Mandatory & Optional Training Courses!'. A 'Registration automatically enrolls you in RSL training.' callout points to the '2018 Restricted Substance List Training (Mandatory)' course card.

Take a Course:

The course page shows a list of modules: RSL 2018 Updates, 2018 Updates, RSL Introduction, Nike RSL Compliance, RSL Test Process, and RSL Training Survey. A callout 'Start a course by selecting "Start this Learning Path" or the course name' points to the 'Start this learning path' button. Another callout 'You will need to complete the courses in the order they appear' points to the module list. A third callout 'You must complete each course and pass the quiz to 100%, to proceed through the training' points to the 'RSL Training Survey' module.

Complete the Quiz:

The quiz results screen displays 'Status: Failed', 'Score: 20%', and 'Passmark: 70%'. A 'CONTINUE' button is visible. Below, the 'Nike RSL Compliance' section shows 'Nike RSL' and 'Compliance' with green checkmarks, and 'RSL Quiz 1' with a score of '100% Passmark: 20% My Score'. A callout 'Correct answers can be reviewed from the training menu under "Results" before a quiz is re-taken' points to the 'Results' button.

You may retake the quiz if you do not pass on the first attempt
