Built-in USB hub, USB hub version: 3.2 Gen 1 (3.1 Gen 1). VESA assembly. Product Color: Black Disclaimer DELL P2419H 60.5 cm (23.8) 1920 x 1080 Pixel Full HD LED Black: Actual configuration may differ from the image More space to work: With a thin profile and the smallest monitor base in its Classi, you can free up valuable desk space. Increase your efficiency: With the three-sided ultra-thin bezel design, you can enjoy an uninterrupted view of your content across multiple monitors. And with two monitors, you can increase your productivity by up to 18%.More multitasking capabilities: Work comfortably across multiple screens and choose from predefined templates with the Easy Arrange feature in Dell Display Manager software. Quickly til and arrange your applications and get started faster with Automatic Recovery, a feature that remembers where you left off. Consistent and rich colors: With a wide viewing angle enabled by in-plane switching (IPS) technology, you can see vivid colors no matter where you sit. Designed to clean the way you work clean and confusing: Focus on your work while hiding cable disorder with an improved cable management design. Easy for the eyes: This TUVI-certified monitor features a flicker-free screen with ComfortView, a feature that reduces harmful blue light emissions. It is designed to optimize eye comfort even when viewed for a long time. Adapt to your comfort: tilt, pan and adjust the height of your monitor for a convenient setup throughout the day. Or choose from a variety of brackets and stands, including VESA, for even more flexibility.
