

With your class, look for these things on your camera and put an X next to each one you find:

	On/Off button
	Start/Stop button
	Tape Dock or Card Dock
	LCD screen or viewfinder
	Record button (generally red)
	Menu Button
	White Balance Button
	Exposure Button
	Display Button
	Zoom Button or Knob
	Focus Button or Knob
	Microphone jack
	Headphone jack
	Battery
	AC adaptor or Power cord
	Lens Cap

Make a list of anything you find on your camera that is not on this list:

What do you think these buttons do?
