

My name is Shelby Hanson and I'm hosting a gun buyback event for the City of Culver City as my Girl Scout Gold Award project. I am partnering with the Culver City Police Department in order to make this event a success.

Do you have an unwanted gun in your home? A family member's home? Do you know someone who does? Please bring any guns, unloaded and in your trunk, to the Wende Lot in Culver City on 1/12/19 and receive a \$100 Gift Card in exchange, while supplies last. One less gun in a home can save a life. Easy access to guns can lead to tragic consequences for children and teens, both from accidental shootings and intentional suicides. Please share this info with your friends and family. Thank you.
