

25 Ways to be Missional in the Neighborhood

I have found that it is often helpful to have practical ideas to start engaging the people around me. Most of the things on this list are normal, everyday things that many people are already doing. The hope is that we would do these things with Gospel intentionality. This means we do them:

- In the normal rhythms of life pursuing to meet and engage new people
- Prayerfully watching and listening to the Holy Spirit to discern where God is working.
- Looking to boldly, humbly, and contextually proclaim the Gospel in word and deed.

Below is a list of my top 25. Not all of these are for everyone, but hopefully there will be several ideas on the list that God uses to help you engage your neighbors. Would love to hear stories of how you have lived some of these out or other ways you have engaged your neighbors.
