

Overnight Shift Maintenance Technician (manufacturing)

noosa yoghurt - Fort Collins, CO

G'day mates!

noosa yoghurt is looking for a **MAINTENANCE TECHNICIAN** at our yoghurt making facility located just north of beautiful Fort Collins Colorado. It's a small town called Bellvue and home to the finest yoghurt on the planet.

This is for an **overnight shift** (working 3pm to 3am).

Our **MAINTENANCE TECHNICIANS** do maintenance, work on a variety of projects and types of equipment, and make sure that our production and packaging equipment is running. A fun, challenging job with great benefits and a schedule that gives you some great work-life balance!

MAINTENANCE TECHNICIANS troubleshoot, upkeep, repair and maintain various systems and equipment (both corrective and preventative maintenance). They work 3 days on, 4 days off; 4 days on, 3 days off. Shift differential is paid.

QUALIFICATIONS & REQUIREMENTS:

- Strong mechanical aptitude and a "can-do" willing spirit.
- Strong troubleshooting skills are needed to perform this job well.
- Minimum 2 years experience working with hydraulic, pneumatic and electrical systems. Previous manufacturing experience working with packaging, conveyors, pumps, and production machines **STRONGLY** preferred.
- Experience working with 480V electrical systems preferred.
- Must have an ability to get along well with operators and production team leads.
- Must work safely, ensure your mates work safely and promote a culture of safety in the work area.
- Must have own hand tools.
- Experience with maintenance management software.

*** PHYSICAL DEMANDS:**

- Must be able to lift 55 pounds and move 170 pounds regularly.
- Able to stand, walk, use hands, reach, climb, work from heights, stoop, kneel and crouch.
- Able to work near moving parts and machinery.
- Able to work in loud, wet, cold, hot, indoor and outdoor environments frequently.

noosa yoghurt supports a drug-free workplace and is an EEO/Affirmative Action Employer – M/F/Disability/Veteran
