Dear Tom,

Since 2001, School on Wheels has been dedicated to helping children impacted by homelessness have the educational tools they need to achieve success in life and break the cycle of homelessness. **We are incredibly grateful to have you join us in this mission.** Your generous in-kind donation not only provides tutoring and education-based case management services, it also provides hope and a pathway out of poverty opening doors to greater job opportunities, stable housing, better health and a more productive, brighter future for generations to come.

Your gift of **School Uniforms**, valued at **\$250.00**, supports School on Wheels programs that help students meet critical academic milestones throughout the year, like reading at grade level, being promoted to the next grade, and maintaining and improving grades during one of the most traumatic times in their life.

Every day our students inspire us with their courage and resilience in the face of unimaginable circumstances. Your commitment to helping them stay on track academically and overcome those circumstances inspires us as well. We cannot thank you enough for your support and we look forward to sharing with you the impact of your gift this year.

Sincerely,

Amber Ewing Kostoff, CFRE
VP of Development
