Treasure in an Old Jar

A condemned house filled with junk in St. Cloud, FL was being demolished in April 2014. Clearing the debris, they realized that the crumbling chimney was in danger of collapsing. That's when a worker heard a metallic sound. The ensuing investigation quickly turned into a hectic treasure hunt as jar after jar stuffed with old coins were pulled from the rickety chimney. In the end they had recovered over 2,000 coins that had been stored for decades in old glass pickle jars. The oldest of the coins dated back to 1917 (Orlando Sentinel).

Who would have thought that an old dilapidated house, an unstable chimney, and dusty glass pickle jars would contain anything of value? That's how many look at the Bible.

To many people today, some who may have never opened the cover to look inside, the Bible is an old, outdated book that has nothing to contribute to our modern, enlightened society. They see God's Word as out-of-touch as those who believe it. They fail to realize that the Bible is just as relevant today as it was on the day it was written. The Bible is ... Eternal (Isaiah 40:8); Truth (John 17:1); Saves (1 Corinthians 15:2); Inspired (2 Timothy 3:15-17); Living and powerful (Hebrews 4:12); Implanted in the heart (James 1:21); Enduring (1 Peter 1:22-2:3).

You may never find an old chimney filled with a pickle jar treasure trove, but you can hold in your hand God's inspired and saving Word. By reading it you will be blessed. By living it you will become better. By following it you will be saved.
