ROB'S

REACTION

We live in a land where Bible are plentiful and come in various shapes, sizes, and colors, and yet the bible is still unknown to many people. It is unknown to many because many do not read it. Then again, some who read it do not believe it to be the Word of God. They just may see it as a history book.

The Bible can become unknown to us if we just put it aside and stop reading and studying it. Soon we begin to think we do not need to know the Bible and forget the Bible was written by the inspiration of God (2 Timothy 3:16).

The Bible is the Divine revelation. It is God's Book. There is no other book to compare to the Bible. Remember the Apostles were guided into all truth by the Holy Spirit of God (John 14:26; 1 Peter 1:21; 1 Corinthians 2:12-13). Now we have the completed inspired Word of God. Yes, it must be read, respected, and obeyed. The Bible is the Book of books.
