#### Is God Working on You?

In 1957 two engineers, Marc Chavannes and Al Fielding, had an idea for trendy wallpaper. They took two shower curtains and glued them together capturing air bubbles between the curtains. Unfortunately, their vision of ultra-modern wallpaper did not catch on. Not to be discouraged, they tried to sell their shower curtains as greenhouse insulation, but they were not able to find a market for that idea either. Finally, in 1959, IBM was searching for something they could use to protect their new computers during shipping. Recognizing a real opportunity to revive their old project and just like that the world was introduced to bubble wrap.

You may not see right away just what God can do through you. But rest assured, He does have a plan. Just as the Apostle Paul wrote to the believers at Ephesus, "For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them" (Eph. 2:10), so he reminds us that God can make something wonderful through us if we but trust and obey Him. By a beautiful blend of faith and grace you were saved (Eph. 2:8), Now, as a new creature in Christ, you have become His "workmanship." Your good works bring Him glory. Live by faith. Do good works. As a faithful Christian, allow God to work through you. You may be surprised in the end to see, where you least expected, that the glory of God emerges from a life filled with good works.
