Rob's

Reaction

We live in troublesome times. It seems every night on the evening news, different TV stations are competing to see who can come up with the most horrible news or the worst prediction of what is going to happen because of global warming. People are uneasy and insecure. Some worry all the time because of the climate of doom and despair.

This is the time for Christians to set the example of steadfastness. Christians need to demonstrate trust and be a voice of reason and calm. Senior saints have weathered storms in life and can offer sound advice and even in difficult times, and all Christians can speak to others about trusting in God.

Christians can show what a transformed life looks like (Rom. 12:1-2). Christians are to be the light of the world (Matt.5:16). Christians can shine in a world of darkness and despair. We must live with hope and confidence.
