### It's Launch Time!

Let's fuel up through prayer and fasting and go beyond merely asking God to answer some of our prayers or solve some of our problems. Yes, he will do this and delights to do this, but his plans and dreams for us are so much bigger! Together, let's wrap our hearts around the big things he wants to launch us toward.

We will have a special preview of our January fast with **online services only** the weekend of December 29-30.
