Are there any special schedule conflicts we should know about?

Are you a member of Nor'wood Bible Church?

I \_\_\_\_\_ understand that as a Nursery and/or Pre-School Jr. Church Volunteer I am responsible to fulfill my obligation to my scheduled time. If I am unable to serve the day I am scheduled, I am responsible for finding a suitable replacement or switch with someone who is scheduled at a later time. If in the case of sickness or last minute emergency, I am unable to serve, I will contact the nursery director or a children's ministry administrator. I have read and will follow all nursery procedures to the best of my ability.
