SCHOOLS FOR INNOVATORS & LEADERS

Reg. No. SA: 2011/11034607

1 October 2018

Dear Nova Pioneer Families,

We hope that this email finds you well and that your children have had a chance to enjoy the recent holiday. These last two terms have been full of learning and excitement, and your children will have no doubt encountered new and challenging problems to solve, and are coming home with new skills, questions, and ideas! As we start preparing for the 2019 learning year, we would like to take the opportunity to remind you about our Nova Pioneer mission.

At Nova Pioneer, we are developing generations of innovators and leaders who will shape the African century. This is the mission that guides our research & development of learning, the choices we make about growth, the standards of excellence to which we challenge ourselves and our students. At the core of all of our choices is ensuring that we're creating the best possible learning environment for our students, and giving them a platform to develop their talents and pursue their dreams. As such, the Nova Pioneer team has gone through a rigorous process to determine the 2019 tuition fee structure for Novaneer students, and the purpose of this letter is to ensure that we are always transparent with you about the considerations that have informed this process.

Nova Pioneer Fees 2019

Through this process we have kept the following top of mind:

- Investment into the development of our innovative and progressive curriculum (including extended language options and a new sports programme),
- Continual fair remuneration and professional development of our teachers,

- The pressures presented by the volatile exchange rates, and
- Ongoing negotiations with suppliers and vendors to keep running expenses to a minimum, whilst in no way affecting our high quality offering.

In assessing these factors, we always strive for balance between our mission to deliver a world-class educational offering and affordability for our Nova Pioneer families. To this end, we are pleased to announce that we have managed to contain the **tuition cost increase to 7.5% for 2019**. This excludes all other levies and costs, which are determined separately and itemised below. Levy increases vary per item as there is a reliance on external service providers.

While we are cognisant of the economic pressures that families face, we note that fee increases of comparable schools in the region are averaging 10%, and we have taken great efforts to ensure that we are able to keep our costs down while ensuring that we are able to continue to deliver excellence across our schools and for each of our students.

Yours in partnership

Any parents who do not adhere to these timelines, will have their Payment Plans shifted to Payment Plan C.
- Parents who make use of **Payment Plan C** (i.e. 11 monthly instalments) are reminded that monthly fees are payable in advance. All fees are due on **1st of every month**.

Levies

- **IT Levy:** The IT levy covers the leasing costs of Google Chromebooks for your child's learning requirements, as well as internet access throughout the year. The IT levy for 2019 has been set at R198 per month for Primary School students from Grade R onwards. The IT levy is payable for 11 months and is due on the 1st of every month.
- **General Levy:** Tuition fees do not include textbooks, stationery (except in Grade 000 to Grade 3) and other sundry items. A general levy, which covers some of these items, will be billed on your statement in January.

The breakdown of the General Levy for 2019 is as follows:

Grade	Cost	Items Included
Grade 000	R750	Class Stationery, ER 24 subscription, exploration day, sports programme, school outings, robotics and a STEM (Science, Technology, Engineering and Mathematics) programme development contribution.
Grade 00	R750	
Grade R	R1 680	Class Stationery, ER 24 subscription, school outings, sports programme, robotics and a STEM (Science, Technology, Engineering and Mathematics) programme development contribution.
Grade 1	R1 680	
Grade 2	R1 680	
Grade 3	R1 680	
Grade 4	R1 280	ER 24 subscription, school outings, sports programme, *Textbook Levy, Cambridge Workbooks (where applicable), robotics and a STEM (Science, Technology, Engineering and Mathematics) programme development contribution.
Grade 5	R1 280	

- ***Textbooks:** Current textbook costs continue to escalate tremendously, driven by changes in the exchange rate. In order to mitigate this cost, parents will be

asked to contribute to the cost of the textbooks and workbooks, but they will not be owned by the students. Textbooks will be returned to the school at the end of the year so that they can be used by the next group. Students who lose textbooks, or who damage books beyond repair, will be asked to pay for the full replacement cost. Any parent wishing to buy a set to keep should please contact the school so that the full cost can be allocated to your account.

- **Stationery:** Stationery is included in the general levy for up to Grade 3. This levy has not increased into 2019. For Grade 4 and above, stationery is **not** included in the general levy. A stationery list will be provided and parents will be able to purchase on their own from their preferred supplier.
- **STEM programme development contribution:** Nova Pioneer's STEM (Science, Technology, Engineering, and Mathematics) vision continues to focus on providing innovative spaces where students and teachers can gather to invent, collaborate, and learn - providing hands-on learning experiences and building STEM-related skills that will empower our students in the future.
- **Additional items included in the General Levy:** There has been no increase into 2019 on the ER subscription cost. There has been a marginal increase on cost associated with school outings of R10. The general levy also includes the exciting new addition of Robotics.
