Verse 1:

**God of the universe
Carried a sinners cross
Rejected by the world still died to save us all**

Verse 2:

**Took up our weight of sin
You stood to take our place
We stand forever free by the sacrifice You gave**

Chorus:

**Now I bring all my life to You an offering
You rose me from my sleep
And You gave me eyes to see
You alone are worthy**

Verse 3:

**My God You're all I want
Praise You for all my days
Forever we'll declare the power of Your name**

Bridge:

**The Father came and set me free
And now I offer everything
He lives He lives He's alive and lives in me**

**The hope of all humanity
Jesus hear Your people sing
He lives He lives He's alive and lives in me**

**Death was conquered as He rose
From the grave up to His throne
He lives He lives He's alive and lives in me**

**The world and all its power fades
We over come in Jesus name
He Lives He lives He's alive and lives in me**
