Words & Music by Alicia Simila, Ryan McGee & Graham Bronczyk

Verse 1:

**Your love reaches to the skies
Fills my empty heart and gives me life**

Verse 2:

**Your power calms the raging seas
Speaks into my soul and gives me peace**

Chorus:

**I'll bring praise
Through the calm and through the storm
Lord You reign over all
As we wait
We find our strength is in Your name
You remain faithful God**

Verse 3:

**My will surrendered to Your ways
Your people come to worship declare Your name**

Bridge:

To God all glory

We remember all You've done

You are worthy to be praised

You are worthy to be praised

And hope is rising

As we look towards what's to come

You are worthy to be praised

You are worthy to be praised
