It was finished by Your son
Jesus Christ the hope I hold**

**And when the darkness closes in
You are the light that leads me home
You opened Your heart and let me in
On the greatest love I've ever known**

**So now I give my life to You my King
For You alone are good
For You alone I sing**

And now all that I desire
Is to see Your will be done**

**We run to You Lord
Our hearts desire Your embrace
Lord You have saved me
From the empty things I used to chase
You'll never break away but You broke all my chains
You'll never leave me Lord I love You**
