

ENERGY PLUS TERMS OF SERVICE FOR ELECTRICITY SUPPLY

We appreciate your business. This document is a contract between us, Energy Plus, and you that allows us to switch your electricity account(s) to our service. It describes the nature of our service with you and provides important information for you to be aware of. We will begin supplying your electricity under this contract, but your utility will continue to be responsible for delivering your electricity and sending you a bill for both of our services.

Customer Disclosure Statement	
Price for Your Electricity	You'll receive a promotional electric supply price of \$ per kWh for your first three bills and your price will be variable after that.
Price Changes	We will determine the variable supply price in our discretion based on many different factors, which may include competitive prices, industry charges we are responsible for, applicable state and local taxes, profit margins, or other business conditions. During the term of a fixed price plan, we reserve the right to change the price to recognize regulatory changes made by a duly constituted governmental authority or independent system operator and we will provide you with 30 days' written notice of any such change to the fixed price.
Length of Your Commitment	Month-to-Month. We will begin providing service to you after your utility processes our request to switch your service. The switch will not occur before the expiration of your "Right to Rescind" period. Our service will continue until either of us cancels the contract.
Your Right to Rescind	You have 3 business days to rescind this contract. This is called your "Right to Rescind" period, which means you will not start service with us until after this period.
Your Right to Cancel	Once service has started, you may cancel by contacting us. It may take one or two billing cycles before the cancellation is finalized, depending on your utility's timeframes.
Applicable Fees	None. You can cancel without a fee. Cancellation may take 1-2 billing cycles depending on your utility's timeframe.
Renewal	Our service will continue until either of us cancels the contract.
Benefits and Savings Details	If you do cancel this contract, you may forfeit some of the rewards that we describe in your Welcome Confirmation, and you will be responsible for unpaid balances as of the cancellation date. See Rewards Program Disclosures.

A. Important Information

Length of Your Commitment: *Month-to-month.* We will begin providing service to you after your utility processes our request to switch your service. The switch will not occur before the expiration of your "Right to Rescind" period. Our service will continue until either of us cancels the contract.

Price for Your Electricity: The promotional electric supply price you will receive during your first three billing cycles with us will be \$ per kWh. For your reference, our prices include generation charges, but they do not include any utility distribution charges or other utility fee or charge. If you enrolled in a plan with a percentage of green power, your price includes the cost for us to purchase Renewable Energy Certificates (RECs).

After the promotional period, your prices with us will be variable. We will determine the variable supply price in our discretion based on many different factors, which may include competitive prices, industry charges we are responsible for, applicable state and local taxes, profit margins, or other business conditions. Our current and historical prices are not an indicator of our future prices and we do not guarantee any savings. Our prices may be higher than your utility's supply rate. No matter what, we will not increase your variable price in any given month by more than 30% from the prior month's supply price.

Applicable Fees: *None.* If you are currently in a contract with another electricity supplier, the request to switch you to our service will automatically cancel your service with the other electricity supplier. You are responsible for any penalties the other electricity supplier may charge.

Right to Rescind: You have the "Right to Rescind" this contract for three business days, which means you can cancel your request to switch your electricity service and never start service with us. You will receive a Welcome

Confirmation from us, which will include this contract, and you will have until midnight of the third business day after receipt of the Welcome Confirmation to rescind this contract by contacting us at the telephone number or email address listed below. This contract is not binding until your "Right to Rescind" period has ended with no action on your part to rescind the contract.

Your Right to Cancel: You may cancel this contract without having to pay any cancellation fee by calling us at our contact information listed below. We will request that the utility cancel your service with us, but the utility controls the effective date of your cancellation. The effective date is usually the next date that your meter is read after the utility has processed our request to cancel your service with us. If you do cancel this contract, you may forfeit some of the rewards that we describe in your Welcome Confirmation, and you will be responsible for unpaid balances as of the cancellation date.

Our Right to Cancel: We have the right to cancel this contract for any reason as long as we give you fifteen days' written notice, but if we are canceling the contract due to your conduct or your breach of this contract, you will have an opportunity to fix this condition within the fifteen days. Your utility will control the effective date of our cancellation request, but this is usually the next date that your meter is read. If your utility terminates your service, this contract will be automatically cancelled.

Your Authorization to Release Your Information: This contract provides authorization for your utility to release all information regarding your electricity account to us and for us to contact you about our other products and services or share information about your account with any designated rewards partner or with any third-party vendor we use to provide services and rewards to you. We reserve the right to share information with our affiliates, to the extent permitted by

law.

Your Protections: Our residential services are governed by the terms and conditions of this contract, HEFPA, and other applicable law. We will notify you at least fifteen days prior to the cancellation of your service, and if you fail to make payments, you may be subject to cancellation of our service and/or the suspension of utility services. You may obtain additional information by reaching out to us or the NYPSC at the contact information listed below. You may also call the NYPSC with inquiries regarding the competitive retail energy market at 888-697-7728.

Electronic Communication: If you provide us with your Email address, you are consenting to this contract and other forms of communication being provided to you in electronic form and you must provide us with any update to your valid Email address should it change. You are required to notify us of any change in Email address and/or any withdrawal of consent for the electronic transmission of contracts or other customer information. If you enroll electronically, please note that our website and application is best viewed in Internet Explorer 8.0 or higher.

Billing: Your local utility is responsible for sending you a bill that includes the charges for our service and charges for the utility's service. The bill that the utility sends should include a separate line item for our service. Under this contract, you agree to pay your utility directly for our service.

You also agree to review your bills in a timely manner, and if there are any inaccuracies with the portion of the bill for our services, you agree to notify us within ninety days after the date of the bill. If we do not hear from you, you are agreeing that the billed amounts are correct and you are waiving any right to dispute the billed amounts to the extent permitted by law.

Taxes: Any applicable tax charges are included on the one bill you will receive from your utility. If you are exempt from any taxes, you are responsible for requesting an exemption by filing all required documentation with us and/or your utility.

Contract Details: Our full, legal name is Energy Plus Holdings LLC, but we have used "Energy Plus", "we", "us", or "our" to refer to ourselves for the purposes of this contract. We use "you" or "your" to refer to you, the customer.

This contract is for the sale and purchase of all of your electricity for the residential account(s) listed in your Welcome Confirmation (letter or email). By entering into this contract, you are authorizing us to take the steps necessary to switch your electricity supply service to us, and you agree to appoint us as your agent to acquire the necessary information to meet your electricity needs as required by your "utility", which we use to refer to your local distribution company. Your utility is responsible for the delivery of electricity to you and we are not. This contract and the Welcome Confirmation (letter or email) you received create your entire contract with us and replace any prior oral or written statements or representations.

Contract Changes: If we propose a material change to the terms of this contract, we will notify you in advance and explain your options going forward. We will not change or alter the waiver of jury trial provision under any circumstances, and any changes to this contract must be made in writing.

Customer Complaints and Dispute Resolution: If you have questions about our prices or our service, you should call us at the contact information listed below. Pursuant to the Home Energy Fair Practices Act, if you are not satisfied with the response from our Customer Care representative, you may ask that your questions be referred to one of our supervisors, who will respond promptly. If you remain unsatisfied with our

attempts to resolve the issue, you may seek assistance from the NYPSC or request information from the NYPSC regarding your consumer protection rights. The NYPSC's contact information is listed below.

THE EXCLUSIVE MEANS FOR RESOLVING DISPUTES ARISING OUT OF OR RELATING TO THIS CONTRACT IS THROUGH THE CONSUMER COMPLAINT PROCEDURES ENACTED PURSUANT TO THE HOME ENERGY FAIR PRACTICES ACT (HEFPA) (16 N.Y. THE ABILITY TO CONDUCT DISCOVERY IN ARBITRATION IS LIMITED AND THE ARBITRATOR'S DECISION IS SUBJECT TO VERY LIMITED REVIEW BY COURTS. THE ARBITRATOR CAN AWARD THE SAME DAMAGES AND OTHER RELIEF THAT A COURT CAN AWARD. JUDGMENT ON THE ARBITRATOR'S AWARD CAN BE ENTERED IN ANY COURT HAVING JURISDICTION.

THE AAA SHALL HAVE THE AUTHORITY TO RULE ON ANY CHALLENGE TO ITS OWN JURISDICTION OR TO THE VALIDITY OR ENFORCEABILITY OF ANY PORTION OF THIS ARBITRATION PROVISION.

Force Majeure: We will use commercially reasonable efforts to provide electricity supply to you pursuant to this contract, but we do not guarantee a continuous supply of electricity. WE WILL BEAR NO LIABILITY TO YOU OR ANY THIRD PARTY FOR CONSEQUENTIAL, PUNITIVE, INCIDENTAL, SPECIAL, EXEMPLARY OR OTHER INDIRECT DAMAGES OR LOST PROFITS.
