## Verse

In the middle of my trial  
I will lift my voice and sing  
In this moment I surrender  
And I believe You can do anything

## Chorus

You are able, able  
God forever faithful  
King of Heaven, there's nothing that You can't do  
I believe You are able

## Verse

Even when I'm broken hearted  
I will lift my voice to sing  
You will finish what You've started  
I believe that You can do anything

## Chorus

## Bridge (3x)

You can move the highest mountain  
You can calm the raging sea  
You can see beyond my failures  
You can do anything for me

## Tag

You can do anything, You can do anything, You  
can do anything

## Chorus

'Cause You are able, able  
God forever faithful  
King of Heaven, there's nothing that You can't do,

You are able  
God forever faithful  
King of Heaven, there's nothing that You can't do  
I believe, You are able
