

Our Great God

Verse

Look at the skies I see your majesty
Your glory shines for all the world to see
Look at the cross I see salvation rise
Your voice like thunder calls the dead to life

Chorus

Our great God, a mighty warrior
Our great God, You go before us
Our great God is on our side

Verse 2

Through every storm and in the rising seas
We will not fear You stand in victory
Here in the light we cast aside our shame
We are free to glorify Your name

Chorus (2x)

Bridge

If it wasn't for Jesus, we'd still be all alone
If it wasn't for mercy, we'd still be on our own
If it wasn't for Jesus, we'd still be all alone
If it wasn't for mercy, we'd still be on our own

Chorus (2x)
