

ADMISSION APPLICATION TYPES AND DESCRIPTIONS

ONLINE OPTIONS

Undergraduate Freshman—Choose this option if you have never attended Nashville State or any other college and are interested in receiving a degree.

Undergraduate Transfer—Choose this option if you have attended another college but never attended Nashville State and are interested in receiving a degree from Nashville State.

Technical Certificate— Choose this option if you are interested in pursuing a one year certification. This is not a degree, but many certificate programs can lead to a degree.

Transient—Choose this option for one semester if you have never attended Nashville State and are currently attending another college or university and are interested in taking a few courses to be transferred back to your current college or university. *NO FINANCIAL AID AVAILABLE.*

Non-Degree Seeking—Choose this option if you have never attended Nashville State and are interested in taking a few courses for college credit but not interested in receiving a degree or certificate. *NO FINANCIAL AID AVAILABLE.*

Readmission options—Choose one of these options if you have previously attended Nashville State. Please choose the correct choice based on the descriptions listed.

PAPER ONLY OPTIONS

Dual Enrollment—Choose this option if you are a junior or senior in high school and are interested in receiving college and high school credit for Nashville State courses. [Click here](#) to access the dual enrollment admissions application.

International—Choose this option if you are an international student interested in obtaining an F1 visa to attend Nashville State or if you are a current F1 visa student at another institution interested in transferring to Nashville State. *NO FINANCIAL AID AVAILABLE.* [Click here](#) to access the international admissions application.
