

Degree Seeking

Readmitted Student

Any former NSCC student who has not been enrolled for over one year and who wishes to return to the college is considered a readmit student. Students seeking a readmission status must:

1. Submit an application for admission.
2. Submit an official transcript from each college or university attended since leaving NSCC. If it has been more than five (5) years since attending NSCC, all transcripts must be resubmitted. (High School, GED, College, etc.)
3. Be eligible for readmission under the college's admissions policy.
4. Submit the health history form for Hepatitis B, Chicken Pox and Measles, Mumps and Rubella vaccinations. Proof of vaccinations are only required if an outbreak were to occur. Forms may be obtained from the Office of Admissions or online. Official copies of State Health Department or military immunization forms will be accepted in lieu of the health history form.
5. Provide proof of citizenship or lawful presence. See the Admissions Office for acceptable documents.
