I hereby certify:

I am a student with adequate remaining entitlement and an expiration (delimiting) date within the current term (or after) to an educational benefit program of the United States Department of Veterans Affairs (VA);

I understand that this deferment does not pay my tuition and fees but, it allows me an extension of time to the last day of the term, or as I receive educational benefit payments to pay tuition and fees;

I have formally requested an enrollment certification through the VA and expect to receive benefit payments for the current term;

I understand that if I do not receive the educational benefits, I am still required to pay all tuition and fees to Nashville State Community College (NSCC);

I understand that the tuition and fees being deferred are subject to the college's refund policy and withdrawal after the first day of classes does not eliminate this obligation;

I understand that all academic records and enrollment registration will be encumbered and my account will be turned over to a collection agency if all financial obligations to the college are not settled in a timely manner;

I understand the Veterans Affairs Coordinator receives periodic reports from the VA of educational benefit payments made to students. I further understand that if I receive benefit payments and I do not make reasonable and timely payments towards my tuition and fees that my total tuition and fees may become due with in seven days notice;

I understand that my eligibility for deferments under TCA section 49-7-104 may terminate if I do not follow the applicable rules and regulations or otherwise fail to act in good faith with timely and reasonable payment(s) of tuition and fees;

I understand I am responsible for making separate arrangement for tuition and fees that exceed the amount eligible for deferment;
