Nashville State students who follow the program of study outlined in the respective articulation agreement are given academic credit for courses listed in the curriculum matrix. Fifty-two credit hours from Nashville State will be applied toward the requirements in the Bachelor of Business Administration with a concentration in Hospitality and Tourism Management at TSU. Nashville State students must complete all program requirements and earn the A.A.S. Degree in Hospitality and Tourism Management to be eligible for this agreement.

In the event of program revisions at TSU or Nashville State, this agreement is subject to revision. This agreement is in accordance with guidelines established by the Tennessee Board of Regents (TBR) for articulation agreements between community colleges and universities.

Students participating in this program will be eligible for the Community College Graduate scholarship which provides a benefit of up to $4,000 per year ($2,000 per semester) for four consecutive semesters. In order to be eligible students must have completed the A.A.S. Degree in Hospitality and Tourism Management from NSCC and must enroll for at least fifteen (15) hours per semester.

Term – This Agreement will be effective from March 15, 2019, through March 15, 2024, until terminated in writing by either party. It is agreed that if terminated, both institutions will honor the terms of the Agreement until the end of the next admissions applications and review period of TSU.

Post-Termination- Upon expiration or termination of this Agreement for any reason, Nashville State students previously accepted by or admitted to TSU shall continue to receive the benefits contemplated by this Agreement.

Non-discrimination
The parties agree to comply with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Executive Order 11,246, the Americans with Disabilities Act of 1990 and the related regulations to each. Each party assures that it will not discriminate against any individual including, but not limited
to, employees or applicants for employment and/or students because of race, religion, creed, color, sex, sexual orientation, gender identity/expression, age, disability, veteran status, genetic information, national origin, or any other legally protected class with respect to all employment, programs and activities.

The parties also agree to take affirmative action to ensure that applicants are employed and that employees are treated during their employment without regard to their race, religion, creed, color, sex, sexual orientation, gender identity/expression, age, disability, veteran status, genetic information, national origin, or any other legally protected class. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection available to employees and applicants for employment to the extent that such laws are applicable to each party individually.

**Binding agreement.** This Agreement shall not be binding upon the parties until it is approved by the president or designee and the Tennessee Board of Regents.

**Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee without regard to its conflict of law provisions.

**Confidentiality of Records.** All educational records created, disclosed, or maintained pursuant to the terms of this Agreement are confidential and shall be created, disclosed, and maintained pursuant to the provisions of Family Educational Right to Privacy Act, also known as FERPA (20 U.S.C.A. s1232g) and its regulations.

**Notices.** All notices or other written communications relating to termination, expiration, or any other legal matter relating to this Agreement will be effective when received and must be given in writing by courier or reputable overnight delivery service, or by certified mail, return receipt requested, to either party at the following address (or to such other address as such party may substitute, by providing a written notice.)

Tennessee State University has elected to accept several courses from the AAS degree which can be characterized as “not intended for transfer.” Tennessee State University accepts that these courses have comparable course content and comparable learning outcomes, and ensures that courses rise above the level of basic skills and constitute more than a training experience.
In witness whereof, the parties have by their duly authorized representatives set their signatures.
