Specific admission criteria include successful completion of both LU Seminar and EN 1123 courses; Education 2312 Schooling in America; attainment of acceptable scores on the Pre-professional Skills Test (PPST or PRAXIS I) or ACT (22); a 2.50 grade-point average; an interview; (3) references from LU faculty members; an autobiography and beginning of a professional portfolio; evidence of mental, physical, social, emotional, and moral maturity; approval by the Teacher Education Council; and a clean criminal background and fingerprinting check. Upon successful completion of the above requirements, a student may be formally admitted to the program.	

Failure to do the following may result in a delay of graduation.

1. Plan schedules carefully, so as to fulfill all pre-requisites for the next semester's courses. Waivers for pre-requisite courses will be granted only under extreme circumstances.
2. Check with your academic advisor before changing the sequence of courses since some are not offered every semester.
3. Check your account early to allow time to eliminate any hold that might prevent pre-registration.
4. Pre-register early to secure classes needed for graduation requirements.

This is a suggested guide to course scheduling and does not replace the University Catalog as the official listing of program requirements.

Official program and curriculum changes may alter this degree plan. Students should consult regularly with their Lipscomb academic advisor.
