Federal regulations require the Financial Aid Office to monitor your progress toward completing your degree program. NSCC students must maintain satisfactory academic progress to be eligible for financial aid. SAP policy can be found in the NSCC catalog or online at https://s3.amazonaws.com/nscc.edu/PDFs/financial-aid/SAP_policy.pdf?mtime=20210708083952. Copies may also be obtained in the Financial Aid Office.

WHAT DOES THIS MEAN?
You can lose eligibility for federal student aid if you do not meet SAP standards. Progress is evaluated at the end of the semester.
