### Completion of a Second Concentration

Students who have completed an Associate of Applied Science Degree at Nashville State Community College may earn a second concentration within that major by successfully completing all courses required for the second concentration. The courses used to complete the second concentration must consist of a minimum of 15 credit hours that were not used to fulfill the requirements of the initial concentration. A second degree/diploma will not be issued. Successful completion of a second concentration will be noted on the student's transcript.
