TRENDS 2017 Planning Committee
Get Ready to use the TRENDS 2017 Conference App!

Remember how awkward program books can be? Although program books have slimmed down over the years, they still can be a nuisance to carry around all week while attending conference sessions.

Well, you won’t have to worry about that at this year’s TRENDS: we are making efforts to go GREEN and will have our own Android/Apple Application for your phone, iPad, or other smart device. Participants can download the app a month before the conference to become acquainted with its features. Specific application features include:

- **Dashboards** – includes “in-app tutorials” to aid in navigation; “What’s on now” and a quick access bar.
- **Schedule of sessions** – browse the schedule of sessions by date, time, category, or type and track. You’ll also be able to view the speakers’ bios and pictures.
- **My schedule** – allows personalization and customization of schedules. Reminders will be sent to inform you of your next scheduled session.
- **Exhibitors** – browse and bookmark the list of exhibitors prior to your arrival; and mark them as “visited” to keep track.
- **Maps** – The conference will be held in the Radisson conference center. The map feature includes conference room layout, map navigation and ability to add a pin note reminder.
- **Social features** – Twitter, Instagram, Facebook and LinkedIn will all be integrated. There is also a photo gallery to capture and share your photos and experiences. Do you typically meet colleagues from around the country at TRENDS? This “friends feature” will help you network in advance allowing you to share status, contact information, personal schedules and direct message.
- **Powerpoints** and **outlines** can be printed pre-conference, if desired. During the conference, you’ll have the ability to take notes on the app and save for later.

We hope you are as excited as we are in this move to make TRENDS a more tech-savvy conference!
Adult CCRN-PCCN Certification Review

October 23 – 25, 2017
NEW FOR 2017!
Testing will be available on site after the review course on Thursday October 26th! Certification Exam Candidates need to apply online at AACN.org and then email certification@aacn.org to notify ACCN they will be testing on-site at the TRENDS 2017 conference.

The combined CCRN and PCCN Review sessions help prepare critical care nurses to successfully pass the CCRN and PCCN examinations.

The CCRN Certification (Adult) is appropriate for registered nurses who possess a distinct and clearly defined body of knowledge of critical care nursing. The CCRN exam is a 3-hour test consisting of 150 multiple-choice items. Of the 150 items, 125 are scored and 25 are used to gather statistical data on item performance for future exams. AACN (2016). CCRN Exam Handbook (adult).

The PCCN Certification is appropriate for registered nurses practicing in progressive care settings providing care to acutely ill patients. The exam is a 2.5-hour test consisting of 125 multiple-choice items. Of the 125 items, 100 are scored and 25 are used to gather statistical data on item performance for future exams AACN (2016). PCCN Exam Handbook (adult).

Target Audience
The program will benefit critical care nurses, advanced practitioners and other clinicians in the specialties of cardiology, neurology, pulmonary, critical care medicine and primary care.

TRENDS 2017 LEARNING OBJECTIVES
• Validate and expand knowledge on current practice standards.
• Examine the impact of issues and trends on care delivery and practice.
• Refine clinical judgment and critical thinking skills through case analysis of issues in patient care and healthcare delivery.

• Develop a professional network of colleagues and associates from practice and industry.
• Explore ways to influence workplace health, ensuring healthcare systems are driven by patients’ needs, where nurses make optimal contribution.
• Stimulate inquiry into the fields of trauma, stroke, cardiovascular, pharmacology, and leadership.

Speaker Presentations
Registrants have access to the TRENDS 2017 Conference App, which contains speaker presentations.

Please note; not all speakers provided presentations for downloading to the app.

Commercial Support
SePA has applied for educational grants in support of the program. Awarded grants will be acknowledged in the opening remarks.

Registration

It’s fast, convenient, and easy to use. VISA, MasterCard, Discover, and AMEX accepted. Online registrations receive immediate confirmation. Maximum and minimum registration levels have been established. In the highly unlikely event that minimum registration is not reached one week prior to the conference, it may be subject to cancellation.

Continuing Education Statement:
TRENDS in Critical Care Nursing 2017 is jointly provided by the Southeastern Pennsylvania Chapter of the American Association of Critical Care Nurses and The Institute for Medical and Nursing Education, Inc (IMNE).

Course Completion Criteria: Participants must attend the entire session and complete the on-line end of program evaluation within 7 days from educational activity. No partial credit will be awarded.
Accreditation
Continuing Nursing Education Credit
The Institute for Medical and Nursing Education, Inc (IMNE) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s (ANCC’s) Commission on Accreditation. This educational program provides 25.75 contact hours of continuing education credit.

Disclosure
It is the policy of IMNE to ensure balance, independence, objectivity and scientific rigor in all its sponsored educational programs. All faculty participating in sponsored programs by IMNE are expected to disclose to the program audience any associated or apparent conflict(s) of interest related to the content of their presentation(s). Accredited status does not imply endorsement by IMNE or American Nurses Credentialing Center’s Commission on Accreditation of any commercial products used for demonstration purposes.

Information regarding disclosures and resolution of any potential conflicts of interest will be addressed in the program book.

What is a CERP?
A continuing education recognition point (CERP) equals 60 minutes of continuing education. Some sponsored sessions award CERPs instead of traditional continuing education (CE) credit. Many state board of nursing and other certification organizations recognize CERPs as meeting continuing education requirements. AACN recommends consulting with the state board or credentialing organization before submitting CERPs to fulfill continuing education requirements. AACN accepts CERPS for renewal of all AACN certifications.

CE/CERP Credit
Hours of continuing education credit, calculated on a 60-minute contact hour, are determined by the numbers of sessions a participant attends.

Credit listed in contact hours.

**REGISTRATION, PAYMENT, CONFIRMATION AND CANCELLATION / REFUND POLICY**

Registration for TRENDS in Critical Care Nursing program will be made via our secure online registration system. To register for this course please visit our website [https://aacnsepa.nursingnetwork.com](https://aacnsepa.nursingnetwork.com).

At the end of the registration process, a $5 non-refundable processing fee will be added to your registration, and you will have the choice of paying by check or credit card (Visa, Mastercard, or AMEX). If you are paying by check the online registration system will provide you with instructions and a printable form for remitting your course fees by check. Postal, telephone, fax and cash-payment registrations are not accepted.

Upon receipt of your paid registration, an email confirmation from Integress will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation and certificate.

Cancellations received SIXTY (60) DAYS PRIOR TO THE CONFERENCE START DATE will receive a full refund of the conference registration fee, minus a $75 administrative charge. No refunds will be issued for cancellations received or postmarked on/after that date. Refunds or credits will not be given for failure to attend, late arrival, unattended events, or early departure. SePA must be notified in writing of your intent to cancel prior to the cancellation deadline. Email your cancellation notification to amy.dipietro@meetintegress.com. Personal Checks are not accepted at the conference.
