

ADDRESSING UNMET NEEDS IN ADVANCED ENDOMETRIAL CANCER: THE LATEST ADVANCES FOR THE ONCOLOGY NURSE

March 23, 2023 | 6:30pm ET

REGISTER HERE

AGENDA

- 5 min Welcome and Introductions/Pre-test
- 10 min Tailoring Treatment for Patients with Endometrial Cancer: Exploring the Role of Predictive Biomarkers
- 15 min Analyzing the Latest Data on Immune Checkpoint Inhibitors for Advanced Endometrial Cancer: What Does the Data Tell Us?
- 20 min Advanced Endometrial Cancer Clinical Case Review: Bridging Gaps in Care Using Immune Checkpoint Inhibitors and the Role of the Oncology Nurse
- 10 min Conversations with the Experts/Audience Q&A/Post-test

TARGET AUDIENCE

This activity is designed to meet the educational needs of oncology nurses and nurse practitioners attending local ONS Chapter Meetings across the U.S.

LEARNING OBJECTIVES

- Identify the predictive biomarkers that allow for tailored treatment options for patients with endometrial cancer, exploring the role of the oncology nurse in molecular testing.
- Appraise recent clinical evidence on the safety and efficacy of immune checkpoint inhibitor monotherapy and combinatorial regimens for the treatment of advanced or recurrent endometrial cancer.
- Analyze the unique toxicities of immune checkpoint inhibitors for endometrial cancer and important considerations for both monitoring and managing adverse events.
- Use a case-based approach to recognize and address socioeconomic and racial disparities affecting health outcomes in endometrial cancer patients and how the oncology nurse can provide patient-centric care that is both efficacious and equitable.

AVAILABLE CREDIT

- 1.00 ANCC
- 1.00 Participation

PRESENTER

Mary B. Welch, NP
GYN Oncology Nurse Practitioner/
Nurse Navigator
MemorialCare Long Beach Medical Center

ACCREDITATION

In support of improving patient care, Creative Educational Concepts is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Nursing (ANCC)

This activity is designated for 1.0 contact hour.

Upon completion of a CE request form, statements of credit for physicians, physician assistants, and nurses will be issued within 30 business days. Pharmacy credit will be reported directly to the National Association of Boards of Pharmacy® (NABP®) CPE Monitor electronic CE tracking system.

ONCC/ILNA Certification Information

The program content has been reviewed by the Oncology Nursing Certification Corporation (ONCC) and is acceptable for recertification points. OCN®, AOCNP®, CBCN®, BMTCN® and CPHON® nurses may apply 1.0 point in Care Continuum, Oncology Nursing Practice, Professional Practice/Performance, and Treatment categories.

Disclaimer: ONCC review is only for designating content to be used for recertification points and is not for CNE accreditation. CNE programs must be formally approved for contact hours by an acceptable accreditor/approver of nursing CE to be used for recertification by ONCC.
