

# C.E.N. Review Course

## January 9-10, 2018

Successfully completing the Certified Emergency Nurse (CEN) exam is a challenge that has been completed by only a minority of emergency nurses.

This course is a review of emergency nursing designed to assist the participant to be successful in obtaining CEN certification.

The course offers lectures, graphics, videos and practice questions in many of the areas that are tested on the CEN exam. This review provides a foundation for further study as the participant works toward emergency nursing certification.
