VI.. Grants, Stipends, & Fund Raising:

- Grants:
 1. [FUAL2FLOURISH](#) White House Challenge - Initiative is progressing well, with plans to deliver programming to Pontiac Academy over three weeks in January. The programming focuses on healthy nutrition, emotional regulation, and introducing nursing as a career. A detailed outline of the initiative can be found in the [Google Doc](#). We are partnering with the Gary Burnstein Community Health Clinic to address medical and dental disparities in the Pontiac Area by offering free treatment to those who qualify, further extending our initiative's impact on the community. By the end of January we expect close to 90 first and second graders to have gone through the 3 part program. We plan to partner with the Boys & Girls Club of Michigan and deliver the same programming to their grade school and junior high school students March - May 2025.
- Fundraising & Recruitment for 2025
 - A. [NAHN Scholarship Sponsorship Levels](#) – Fundraising potential

B. Nursing Schools Outreach Initiative – Recruitment potential
