

Northern New England #131

October 18, 2017

I would like to invite you to consider exhibiting at the annual "2018 Spring Update" educational program that the Northern New England Chapter of the American Nephrology Nurses' Association will be holding on Sunday, April 8, 2018. It will be held in Manchester, New Hampshire.

As in past years, the program will focus on issues and concerns for dialysis nurses and technicians. Contact hours will be awarded through ANNA.

Due to past feedback, we will continue to extend the time you have to speak with the attendees.

The cost for a vendor table will be \$500 and your support will be very much appreciated. You can send the check payable to NNE Chapter #131 ANNA to me or you can register and pay on the chapter website <https://nnechapter131.nursingnetwork.com> . (Information/exhibit/register)

If you wish to help sponsor a speaker's honorarium or support the cost of refreshments, please do not hesitate to contact me directly.

On behalf of ANNA Chapter # 131, I would like to thank you in advance for your support.

Sincerely,

Patricia Murray RN, CNN
