Happy New Year to all! As part of your AORN New Year's Resolutions, I encourage you to embrace action, attend meetings and get involved on a committee to be eligible for Expo in 2019!!! I hope everyone had a happy holiday season. Now we're ready to continue our successful 2017-2018 year. We had an excellent November Chapter meeting. Highlights included a great meal provided by Scott Francis & Shad Huncker of Baxter, yummy Perioperative week cake, collection for Adopt a Wild Child at the KC Zoo, and a timely presentation on Unique Device Identifier by Susan Morris of Cerner. Thanks to all who helped make this a successful meeting. Our Chapter has certainly embraced action with Perioperative week activities. These included lounge treats and mummy wrap with Kerlix at NKCH, proclamations by both governors and articles in newspapers saluting the work we as perioperative nurses do each day to stand up for our patients to keep them safe. We had a successful "meet and greet" for new members at Cooper's Hawk winery. New members received information about our Chapter and ways to get involved. If you weren't able to attend please feel free to reach out to fellow members. Behind the scenes in December, AORNKC continued to be busy:

1. We submitted the zoo activity and the Meet and greet as events for the chapter engagement incentive award. We hope to earn \$125 for each outing.
2. We've heard that NKCH will present their poster at Expo. Congratulations to NKCH Periop 101 members Tia Kennedy, Sarah Jacobs, and Sara Coslet, along with their mentor Denice Morrison, who got official word that their poster "Chlorhexidine Gluconate Pre-Surgical Bathing: It's Your Best" #49406 has been accepted in the Evidence-Based Practice category for AORN Global Surgical Conference & Expo
3. We've chosen our first time attendee to Expo from the applications received. Congratulations to Erin Tharp who was selected as the first time attendee to Expo. Erin is the charge nurse in the OR at Belton Research Hospital, has been a member of AORN for 4 years, attends monthly meetings and is currently on the workshop committee. With Erin, we've finalized our 13 funded delegates to Expo in New Orleans March 24-28. Congratulations to our delegates: Louann Huffman, Barb Adkins, Chris Blackburn, Cindy Davis, Libby Nasche, Julia Jackson, Deborah Shields, Andrea Gunter, Amber Kling, Marie Barrentine, Denice Morrison, Ashley Shaw and Erin Tharp.
4. We've submitted our application for the Chapter of the Year Award thanks to Marie Barrentine.
5. We've submitted the Chapter Accountability Standards to hopefully maintain our 5 Star status.
6. We've finalized our Workshop and Vendor Fair flyer for February 24, 2018 at SJMC. We have an excellent lineup of speakers, diverse and pertinent topics, 6.5CE, vendors, meals and door prizes for the low cost of \$45-\$48.50(online). See flyer on website aornkc.org for more information.
7. The nominating committee is hard at work to finalize the preliminary slate for presentation at the January meeting. If you are asked please consider running for President Elect, Vice President, Secretary, board members x2 and nominating committee x3. We need you!!!

I look forward to seeing everyone at the January 16th Chapter meeting at NKCH Prairie View Room starting at 5:45 with dinner, business meeting at 6:00 and speaker at 7:00. Thanks to Innovative Sterilization Technologies for providing our meal and speaker Barbara Harmer, who will speak on "Steam Sterilization- What Do You Know?" She will also have 15 minutes to talk about One -Tray outside of presentation. Make plans now to attend!

Thank you for Embracing Action, Mind, Body, & Spirit to care for your patients.

To my fellow Nurses,
It is my regret that I have to resign my position of secretary for our chapter. I have a new onset of Myocarditis (which is resolving) and Pulmonary Edema with Fibrosing Mediastinitis. As of 2 weeks ago my scans are not getting better and I am not feeling better either. I need to focus on my health right now and all my energy is working toward that. I appreciate all your concerns and grateful for well wishing. I am still working full time and trying to stay health for that also. We will see what the future holds, maybe one day I will be able to hold an office again.

Thanks, Teresa Kuehn
(submitted in November)

Thank YOU!

The Hospitality Committee would like to thank John Deuser, VOLKER MEDICAL LLC and Robert Scroggins, BUFFALO FILTER Filtration Group for providing our meal and program for our October meeting. Our Program on Hazards of Surgical Smoke, was presented by Robert Scoggins of Buffalo Filter, was very interesting, informative and members earned 2 CEU's.

The meeting in November will be held at North Kansas Hospital.

Be sure to get your ticket as you enter for the free drawings.

Dinner will be ready at 5:30.

Business meeting 6 – 6:45 with education to follow.
