Description:
In the talk, we will focus on "SCAI SHOCK Stage Classification Expert Consensus Update: A Review and Incorporation of Validation Studies" publication to summarize current best practices around early identification of cardiogenic and escalation of care. Pharmacological and mechanical support interventions used to support patients in worsening stages of cardiogenic shock will also be discussed.

Audience:
This course is designed for hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses, allied health professionals, physicians, and residents.

Learning Objectives:
At the conclusion of this activity, participants should be able to:

- Define the stages of cardiogenic shock and associated clinical markers
- Understand the progression of shock and the importance of early intervention
- Review vasoactive medications and mechanical circulatory support options

Accreditation:
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the direct providership of HCA Healthcare Continental Division. HCA Healthcare Continental Division is accredited by the ACCME to provide continuing medical education for physicians.

Commercial Support:
This Activity was developed without support from any ineligible company.The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests –unless the provider of clinical services is owned, or controlled by, and ACCME defined ineligible company.

Disclosure:
The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidenced-based. In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence all parties in control of content are required to disclose all conflicts of interest with ACCME defined ineligible companies. None of the planners, faculty, and those in control of this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
