We will be doing a state-wide planning meeting in March. March is a little later than usual but we wanted to wait until after the National Leadership Conference in February in Portland Oregon so that we can get some ideas from national as to what they are focusing on this year. March 5, 2011 is the day we will be doing this planning session. The number and agenda will be posted on the NV website. If anyone has any ideas for anything for 2011 please let me know. I also would like to have anyone interested in a committee contact me so that I can either discuss the chair position or get you in contact with the chair of that committee.

I would like to thank everyone for their contribution, dedication and commitment to the Nevada ENA. I look forward to another successful year!!

LEAD ON!!!

Melane' J. Marsh RN, BSN, CEN

2011 Nevada State ENA President
