

I'M YOUNG, BUT I WASN'T BORN YESTERDAY.

I know a good thing when I see it—like health coverage through Medicaid and CHIP. And I'm here to talk it up. It's low-cost or free for children and teens up to age 19. And parents may be eligible for Medicaid too. Us kids can get regular check-ups, shots, doctor and dentist visits, hospital care, mental health services, prescriptions and more. And kids in a family of four earning up to \$47,700 a year or more may qualify.

You can enroll any day of the year, but why put it off when you can protect your family (and your finances) today?
