

Target Audience

The target audience may include but is not limited to registered nurses, licensed practical nurses, technicians, nursing assistants. The target audience may also include other health care providers who would increase their knowledge and/or improve their skill by attending this seminar.

Program Goals

1. To present current clinical data and new findings to enhance nursing practice.
2. To provide an opportunity for nurses to interact with colleagues and share ideas.

Program Committee

Faith Lynch, MSN, RN
Candice Halinski, MSN, RN, ANP-C
