

## A Mosaic of Critical Care

A Mosaic of Critical Care Topics offers excellent speakers and topics with continuing education credits.

Our symposium allows the opportunity to network with colleagues, meet with vendors, learn about the latest in research and technology, and addresses the future trends of our medical profession.

### Intended Audience

- Nurses from all disciplines (especially CCU/ICU, ER, telemetry, PCU, IR, CVL)
- Respiratory Therapists
- Emergency Services Personnel

In an effort to be kind to the planet, we have opted to not print a full syllabus. We will provide a packet with the agenda, evaluation, and blank pages to write notes.

### NWVEC - AACN Officers

Nicole Watts, RN – President  
Melissa Tsay, RN, CCRN – Treasurer  
Roberta Lantzy, RN, CCRN – Medical Vendor Liaison  
Carlee Warner, RN, CCRN - Secretary  
Michelle Brantley, RN - Non-Medical Vendor Liaison

## NWVEC – AACN

We are a local AACN chapter that provides a forum to assist critical care nurses in meeting the challenges and demands of their profession and caring for the critically ill through networking, communication, education, and research.

NWVEC is a *chapter-without-walls* which means that all national AACN members within a 50 mile radius of Everett, WA are automatically chapter members, and no additional dues are required.

Northwest Washington Evergreen Chapter supports the mission and vision of AACN, and work to further advance the key initiatives of certification, healthy work environments, and the prestigious Beacon Award in our communities.

**Registration fee is non-refundable but may be transferred to another individual upon request prior to conference day.**
