Program Outcome

This program is intended to enable the learner to successfully complete the American Nurses Credentialing Center (ANCC) generalist examination in nursing professional development. This course also enables novice NPD practitioners to develop foundational knowledge for the specialty practice.

Target Audience

- Registered nurses (RN) preparing for certification in Nursing Professional Development
- RNs new to the NPD role
- RNs desiring additional education in NPD

Conflict of Interest

No faculty or planners have a conflict of interest with the development or implementation of this course.

Course Completion

- Attendance at each full day required to receive contact hours.
- Partial credit may be awarded for each day. Notify instructor if partial credit is needed.
- Completion of the online course evaluation is required.

Continuing Nursing Education – 16 Contact Hours

Association for Nursing Professional Development is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Pre and Post Test Information

Earn up to **two (2) additional contact hours** by taking the NPD Cert Prep Course Pre and/or Post-test in the ANPD Professional Development Center. Each test, which contains 60 questions, awards one (1) contact hour. Measure your progress made during the course by comparing your pre-test score with your post-test score. In addition, you can see which domains should be areas of focus when preparing for the certification exam. Instructions to access the Pre and Post-test will be provided to attendees two (2) weeks in advance of the course.
