5:45pm

Post Event Mix & Mingle

Circle of Care

About Circle of Care

Circle of Care (CoC) was organized with the objective to bring together in the same arena all healthcare workers who have a hand in surgical patient care to collectively share best practices and discuss diverse topics, especially as they pertain to the prevention of Health Acquired Infection (HAI's.) Our mission is the development of the perioperative team; focusing on inter-professional education and collaboration. Improving communication and education across the disciplines will break down silos and increase the quality of care resulting in transformational patient outcomes. CoC is actively involved in organizing regional collaborative clinical educational conferences such as this special annual event, with industry organizations such as IAHCMM, AORN, APIC and AST. Visit our website for additional information

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Indiana University School of Medicine, IU Health and Circle of Care. Indiana University School of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. Physicians Indiana University School of Medicine designates this live activity for a maximum of 8.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Indiana University Health is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) (OH-412, 8/1/2019) Participants will receive up to 8.25 contact hours for attendance in approved session and submission of an evaluation.

IAHCMM
Instrumental to Patient Care

This activity has been approved for 8 CE

This continuing educational activity is pending approval for 7.5 CE credits by the Association of Surgical Technologists, Inc., for continuing education for the CST and CSFA. This recognition does not imply that AST approves or endorses any product or products that are included in presentations.
