Course Description

This course is designed to promote the education of nurses who care for patients with peripheral vascular disease. The principles discussed will enhance the attendees' practical skills in an effort to improve patient care.

Learning Outcomes

Upon completion of the Vascular Nursing Symposium, participants will successfully demonstrate knowledge of cardiovascular disease states, interventions/treatment modalities, complications and their role and responsibilities by scoring 80% or greater on a post-test.

Target Audience

Nurses involved in the care of patients with vascular disease.

Fee Schedule

REGISTRATION DATE	COST
Prior to March 1	\$ 75
Prior to April 1	\$100
After April 1 (and on-site, if available)	\$125

All registration must be completed online:
www.regonline.com/vascurnurse2019.

The fee is refundable (less a 10% processing fee) until 4/1/19.

For more information or questions, please contact Suzanne Quinn at 908-522-2171

Continental breakfast and lunch is included.

We are planning on making this an “electronically interactive” conference! Attendees can download an app to their phone and the speakers will embed items in their talks to get real-time feedback from the audience.
