

Nurses House, Inc. Dolphins for Nurses Campaign

Celebrate National Nurses Week 2019 ***Help Raise Funds for Registered Nurses in Need!***

Nurses House Inc., the only national fund for RNs in need, will be hosting its annual Dolphins for Nurses campaign from April 12-May 12, culminating in National Nurses Week. Hospitals and groups nationwide are invited to help us raise funds for our colleagues in need by offering blue, gold and white donation circles in exchange for \$1, \$5 or \$10 donations.

This fundraiser is a great team building activity and is easy to incorporate into already planned Nurses Week events. We will provide everything you need to make the fundraiser a success including dolphin circles, brochures, flyers, posters, table tents and pens. We hope you will share the idea with your Nurses Week Committee or nurse leaders. If interested, contact sdague@nurseshouse.org or 518-456-7858 x127 for an informational packet.
